CHELMSFORD & ESSEX HOSPITAL & DISPENSARY

Report of the Committee For the Year 1946

To be presented at the ANNUAL GENERAL MEETING to be held in the RURAL DISTRICT COUNCIL CHAMBER, London Road, Chelmsford, on Tuesday, July 22nd, 1947, at 4 p.m.

GENERAL

Report of the
Committee.

At this time last year discussion in the hospital world centred around the probable nature of the Hospital service organisation which would be proposed under the impending National Health Service Bill.

Today we are no longer concerned with the Bill, as it was duly published in the spring, debated in and out of Parliament, and by November had become an Act, amended and improved in some particulars from its original form, but remaining substantially the measure first introduced by the Minister.

Whatever misgivings there may be regarding certain aspects of the basic organisation of the new service, it is to be remembered that the Act in the main is but a framework to be clothed by ministerial orders and regulations.

The Minister, by his acceptance of many opposition amendments in the Lords, has shown a more conciliatory attitude, and a determination that the new service shall be one in which all men of goodwill can co-operate.

The most notable of the amendments so accepted are those relating to the powers and functions of hospital management committees, and for preserving the essential character of denominational hospitals.

As regards hospital management committees, the Minister by allowing them, as corporate bodies, to accept and hold endowments, to have a portion of the Central Hospital Endowment Fund earmarked for their benefit, to control and manage the hospital or group of hospitals

for which appointed—this subject to certain limitations—and to sue and be sued in their own name both in respect of endowments and of functions undertaken, on behalf of the Regional Hospital Board, has gone as far as is reasonably practicable to meet the views of those critics who feared that the committees, being without either power or responsibility, would fail to attract the people.

In the original draft of the Bill, the status and powers of the hospital management committees were extremely obscure. By amendment, in the original appointment of the hospital management committees, the Regional Hospital Boards are to consult the governing bodies of the hospitals concerned.

Voluntary hospitals are able to receive gifts and legacies after the appointed day, and to hold property in trust. THE MINISTER IS ANXIOUS THAT THE PUBLIC RETAIN THE SAME INTEREST IN THEIR OWN LOCAL HOSPITALS, AND THAT THEY ARRANGE FUNCTIONS TO AUGMENT THE FUNDS FOR IMPROVEMENTS OR EXTRA EQUIPMENT, ETC.

All this refers to next year, and presumably will take place on the 1st April, 1948.

Work to be
done during
1947.

We are more concerned at the moment with the present year, and at this point I want to lay stress on this matter. At the present time a number of the public are inclined to become disinterested in the welfare of the Hospital, owing to the impending take-over. But may I point out that the high standard of efficiency of the Chelmsford and Essex Hospital under the present management has to continue until the 1st April, 1948, and therefore it is up to everyone to give of their best during the present year.

In-Patients.

Although the Committee was able to close all the wards in turn for a short time for redecorations during the year, the number of in-patients was 2,997, an increase on 1945 of 16. The wards have all been extremely busy throughout the year, and it has been very difficult at times to find accommodation even for emergencies.

Out-Patients.

Work continues to grow in the Out-Patient Department, and pressure on staff and accommodation is now very great indeed. The Committee has sent a request

to the Ministry for a permit to enlarge the Out-Patient Department, but at the moment little satisfaction has been received. This greatly increased pressure obviously falls first and most heavily upon the members of the Honorary Staff, the Resident Staff and the Nursing Staff. The Committee records its gratitude to them and voices the appreciation of all supporters of the Hospital, for their inestimable services.

Figures showing the work done in all departments are given below :—

	1946	1945
In-patients (including private patients)	2,997	2,981
Out-patient attendances	49,094	48,476
X-Ray cases	6,428	6,169
Dental cases	121	109
Massage attendances	8,496	9,413
Electric attendances	13,464	12,037
Sunlight attendances	1,600	1,946
Daily average number of beds occupied	136.4	144.05
Average number of days each patient resident	16.93	17.64
Average cost per patient per week	£5 14 2 $\frac{3}{4}$	£4 9 0

Annual
Subscriptions.

Annual Subscriptions have been well maintained during the year, showing an increase of £89, but the Committee wishes again to emphasise how small this total is, having regard to the wide area served by the Hospital, and it strongly appeals for new and increased annual subscriptions. The Committee tenders its most grateful thanks to all subscribers for their kind help.

The Hospital has received £1,000 less in Donations this year than last, although Church Collections and Entertainments showed a small increase, but on the whole Voluntary Gifts were decreased by nearly £756.

The Government Grant was reduced by nearly £8,000 and as practically all expenditure items were increased, owing to the increased cost of all commodities, there is a deficit on the year's working of £6,725 13s. 7d.

Library.

The Committee has much pleasure in again referring to the excellent work done by the Honorary Librarians to the Hospital, Mrs. H. M. Fletcher and Miss F. C. Hart. Their work and great help are much appreciated by the patients.

Visiting Staff.

The Committee again records its appreciation of the valuable services of the Honorary Medical, Surgical and Dental Staffs, and their loyal co-operation in all matters concerning the welfare of the Hospital. That the efforts of the Honorary Staff are appreciated is shown by the numerous letters of gratitude received.

The following new appointments have been made during the year to the Honorary Staff :—

Dr. H. Bathurst Norman : Physician.

Dr. R. Sleigh Johnson : Physician.

Dr. N. Copeland : Psychiatrist.

Dr. P. Buckley : Neuro-Physician.

Mr. R. McIver Paton : Ophthalmic Surgeon.

Dr. C. B. M. Warren : Paediatrician.

The Committee wishes to express its grateful thanks to the Resident Medical Officers.

Nursing Staff.

The Hospital is fortunate in not having had such an acute shortage of nurses as so many hospitals have experienced. For this the Committee is indebted to the constant care and foresight of the Matron, Miss E. Clark, who has enhanced the good name of the Chelmsford and Essex Hospital as a Training School, and thereby ensured a reasonable supply of students, even during the most difficult times.

The Committee records its appreciation of the valuable services of the Matron, Assistant Matron, Sisters and Nurses, and thanks them for the loyal and efficient manner in which they have carried out their duties.

Administrative
and other staffs.

Words of appreciation must be expressed here for the way in which our Secretary, Mr. R. G. Morrish, has so thoroughly and conscientiously carried out his duties, and studied the welfare of the Hospital.

We must not forget those who somewhat behind the scenes carry on their good work and render excellent and at the same time most necessary service for the welfare of the patients: namely the Secretarial, Dispensing, Laboratory, X-Ray and Massage Departments Staffs.

Thanks to
Employees.

The employees of the various works and firms have for a considerable number of years assisted the finances of the Hospital to a great extent, and the Committee extends to them its heartiest thanks, especially to : Crompton Parkinson Ltd., Hoffmann Manufacturing Co. Ltd., Crittall Manufacturing Co. Ltd., Chelmsford Borough and Rural District Thanksgiving Week Committee, Chelmsford Golf Club, Chelmsford Inner Wheel Club, Chelmsford Post Office Finds and Gains Fund, Chelmsford Tomato Show, Danbury Horse Show, East Anglian Munitions Trust, Eastern National Weighing Machine, Essex County Football Association, Galleywood Horticultural Society, Ingatestone Brotherhood, Ingatestone Horse Show, Mid-Essex Technical College, Lord Rayleigh's Farms, Springfield Flower Show, Springfield Welcome Home Fund, Widford and District Garden Association, Messrs. Woolworth & Co., Writtle Bowling Club, Alexandra Rose Day Committee, League of Mercy, Local Cinemas, Essex County Council, Women's Institutes, St. John's Young People's Club, Hoffmann's Athletic and Social Club, Ingatestone Rangers, Rettendon Sports and Social Club, the Strolling Players and W.R.N.S., Great Baddow.

Bequests.

The Committee desires to acknowledge with grateful thanks the following legacies, etc. :—

Insurance Committee for Essex	...	£1,000	0	0
The late C. F. Cole, Esq.	...	£180	0	0

Blood
Transfusion
Service.

This service is doing invaluable work for the Hospital and patients, under the leadership of Mrs. C. W. Alford and Miss Wells, with Miss B. Turtle as secretary. The Committee wishes to convey to these ladies its most grateful thanks, and especially to all those donors who have so willingly come forward to render this most useful and important service.

Unfortunately there has been a considerable reduction in the number of blood donors since the end of the war, and blood is required urgently each week. **Would all those who are willing to assist in this way kindly communicate with the Secretary, Blood Transfusion Service, Chelmsford Hospital.**

Personal
Service.

Thanks are accorded to :—

The Clergy and Ministers, who have so kindly visited the patients from time to time, and for the services regularly held in the Hospital.

The Press, who have been of great assistance in publishing reports, descriptive of the Institution's work.

The Members and Officers of the Chelmsford Town Council, and of other local bodies, for assistance they rendered to the Hospital in many ways.

The large number of Societies and Individuals who have sent gifts and entertained the patients from time to time.

The Chelmsford Police and Chelmsford Fire Brigade, and to the St. John Ambulance Brigade for their attendance upon and transport of patients and relatives following road and other accidents.

The Teachers and Children of the Schools for their collections.

All Donors who have during the year sent gifts of flowers, fruit, vegetables, game, provisions, toys, etc.

Matron's
Christmas Sale.

Hearty congratulations are accorded to Matron and all those who assisted to make the Christmas Sale such an outstanding success. Over £400 was collected.

Ladies' Linen
League.

The Ladies' Linen League has again been of great assistance to the Hospital, and a considerable amount of worn linen has been replaced. The Committee wishes to express its deep appreciation to all those ladies who have assisted during the year, especially to Mrs. Adolphus Matthews, Hon. Secretary, and Mrs. R. E. Pitts, Hon. Treasurer.

Ladies'
Committee.

During the latter part of 1945 a new Committee was formed, called the Hospital Ladies' Committee. This Committee has organised various functions during the year, and worked in co-operation with the Carnival Committee. Through their efforts they were able to hand over refrigerators to two of the wards.

The Committee wishes to thank them for their untiring efforts. Their help is much appreciated by all.

Special Appeal for New and Increased Annual Subscriptions

The Board of Management urgently appeals for additional help for the maintenance of the Hospital.

Subscribers are earnestly solicited to **INCREASE** their Subscriptions, and to induce those of their friends who do not contribute to the Funds of this Hospital to **BECOME SUBSCRIBERS.**

Remittances payable to the Chelmsford and Essex Hospital

Carnival
Committee.

The Carnival was again revived and through the efforts of a very large number of helpers the record amount of £2,600 was raised.

The Carnival Committee agreed to allot the whole of this sum to the building of the new Dining Room for the Nursing Staff, which is at present under construction. Further it has agreed to be responsible for the full cost of this building, which is so urgently needed.

The Hospital Committee cannot express too fully its deep appreciation of the valuable help, and thanks the Carnival Committee most heartily for this excellent addition.

Thanks.

In conclusion the Committee records, as in former reports, its indebtedness to all who have assisted the Hospital during the year. To some, this has meant much hard work and time and thought ; to others it has meant a gift in money or in kind ; and to some an encouraging word or letter. To all, in whatever way the help has been given, the warm gratitude of the Committee is here recorded.

W. F. PARSONS,
Chairman.

General Committee of Management.

CONTRIBUTORY SCHEME

The Scheme has now been in existence for 16 years, and during that time no less than £158,270 4s. 4d. has been collected in small contributions.

The Organisers and Collectors have been very active during the year, and the membership has steadily increased.

It is very gratifying to note that the payments have been well maintained, and this is due in no small measure to the energies of the Organisers and Collectors.

The Committee takes this opportunity of tendering its warmest thanks to the Chairman, his Committee, and all the Organisers and Collectors, who have worked so splendidly during the year, and have achieved such excellent results.

Bed Endowments

There is no better or more appropriate way of perpetuating the memory of a departed relative or friend than the Endowment of a Bed. It is the highest form of benefit conferable upon the Hospital, as it ensures a perpetual income for the carrying on of a good work.

Everyone of us ought to think of **Our Hospital**, as a personal matter, and make some contribution to its well-being.

If we do not want it to-day we may to-morrow; if never we shall still have the profound satisfaction of having **helped others.**
